COME CONSULTARE I CERTIFICATI

- 
- Il certificato registrato in Blockchain di EN ITALY è l'atto finale di tutto il processo fin qui mostrato. Si tratta di una notarizzazione di tutti i documenti che sono parte integrante della pratica dell'ecobonus. La caratteristica del certificato registrato in Blockchain consiste nell'essere imm modificabile e consultabile pubblicamente attraverso la lettura del QR CODE. Vediamo come consultare i certificati

- Poggiando il puntatore del mouse sulle varie icone, si apre un riquadro che riporta tutti i connotati della pratica.

The screenshot displays the MyCloud-Mail Server web interface. At the top, the user is identified as ANDREA PALLADIO with a balance of 10,00 € and available Cbs of 0,00 €. The interface includes a navigation menu with options like 'ClearPage', 'Logout', 'Setting SecurityKey', 'New Registration', and 'Shop Service'. A 'MENU LAVORO' section on the right lists various categories: Beneficiari, Proprietari, Condomini, Immobili, Lista Imprese Edili, Lista Pratiche, and Nuova pratica. A red circle highlights a notification panel in the center-left, which shows a 'C.K. Rejected' icon and a list of items with status indicators (Certified, Approved, Rejected).

- Il pannello della preview è uno strumento di notifiche istantaneo. Infatti cliccando sulla singola icona si accede direttamente alla pratica che la rappresenta
